SUMMARY

Product designer and builder with 10+ years across enterprise SaaS and fintech. I turn complex workflows into clear systems, from 0->1 foundations to scaled platforms. In 2026 I shipped three products end to end, design through production code - one of them now runs a working business.

SKILLS

Product: UX Strategy, IA, Service Design, Interaction Design, Visual Design | Systems: Design Systems, Design Tokens, Prototyping, User Research, Accessibility (WCAG AA) | Build: TypeScript, React, Next.js, Node, Cloudflare Workers, Capacitor (iOS), Playwright

EXPERIENCE

Zone & Co. | Product Designer

Apr 2026 - Present

Sudozi | Founding Designer | Oct 2020 - Apr 2026

- Joined Zone & Co. through its April 2026 acquisition of Sudozi.
- Designed the core intake and workflow system that scaled to 100+ enterprise organizations.
- Shaped self-serve configuration patterns that reduced onboarding time from 5 days to 4 hours.
- Partnered with engineering end-to-end to ship one system and cut approval cycles by 75%.

Carta | Product Designer

Nov 2018 - Mar 2020

Investor Services, Fund Admin Tools, Capital Call workflows

- Redesigned investor navigation and dashboard architecture across 10+ core surfaces.
- Used rapid prototyping and user testing to derisk decisions under compressed timelines.
- Contributed reusable interaction patterns with Carta design system partners.

PayPal | UX Designer

Jun 2015 - Oct 2018

PayPal Cash, Cash Card, and design system initiatives

- Designed key cash management and card-control UX for high-frequency financial actions.
- Collaborated on notification and transaction flows for consumer reliability.
- Contributed to PayPal design system and mobile banking experiences used by 10M+ users.

SIDE PROJECTS

Sweetspot | Product Designer & Builder

2026 - Present

- A cafe runs on it - real customers, up to \$10,000 a month through the storefront, ordering, and back office I built.

GSDAQ | Product Designer & Builder

2026 - Present

- An AI market guide that shows its reasoning and sources instead of giving tips; in App Store submission.

FleetDeck | Product Designer & Builder

2026 - Present

- An observe-only board for AI-assisted work across seven repositories.

SAVE | E2E UX Design

2025

- End-to-end UX for a stock news product: 100K DAU in one month, 5.0 stars.

EDUCATION

Academy of Art University - BFA, Web Design + New Media (UX emphasis), 2015

RECOGNITION

Best in Show (2015), Academy of Art University Spring Show | Adobe Design Achievement Awards Semifinalist (2014)
